Deposit Insurance: By a yea-and-nay vote of 282 yeas to 94 nays, with 30 voting "present," the House passed H.R. 11221, to provide full deposit insurance for public units and to increase deposit insurance from $20,000 to $50,000.

Agreed to a motion to recommit the bill to the Committee on Banking and Currency as amended by an amendment instructing the committee to report the bill back to the House with the committee amendment and an amendment that applies the provisions for full insurance coverage only to time deposits. Previously, these amendments were lost when, on a separate vote in the House, an amendment that struck section 1 from the bill was defeated, and the bill reverted to the language of section 1 as originally reported. Subsequently, the amendments specified by the recommittal instructions were offered and agreed to.

Agreed to an amendment to the motion to recommit the bill to the Committee on Banking and Currency which added instructions to report the bill back to the House with the committee amendment and language that applies the provisions for full insurance coverage only to time deposits. Previously, a point of order against the amendment was overruled.

By a recorded vote of 122 ayes to 259 noes, with 24 voting "present," defeated the previous question on a motion to recommit the bill to the Committee on Banking and Currency.

On a separate vote in the House, rejected an amendment that sought to strike section 1 from the bill (rejected by a yea-and-nay vote of 170 yeas to 202 nays, with 34 voting "present").

The House took the following actions while in the Committee of the Whole:

Agreed to the committee amendment.

Agreed to an amendment that applies the provisions for full insurance coverage only to time deposits.

Agreed to an amendment that strikes section 1 of the bill dealing with full deposit insurance for public units.

Rejected an amendment to an amendment limiting the full coverage provisions to time deposits that sought to provide for a limit of $100,000 insurance for public funds in time deposits.

Rejected an amendment that sought to increase the ceiling on deposit insurance to $35,000 in lieu of $50,000.

A point of order was sustained against an amendment that sought to require that the maximum rates of interest or dividends payable on comparable public deposits be the same for insured banks, savings and loan associations, and credit unions.

H. Res. 794, the rule under which the bill was considered, was agreed to earlier by a yea-and-nay vote of 397 yeas, with 4 voting "present". Pages 2056–2082

Corporation for Public Broadcasting: Message transmitting the annual report of the Corporation for Public Broadcasting for fiscal 1973—referred to the Committee on Interstate and Foreign Commerce. Pages 2363-2366

Federal Rules of Evidence: By a recorded vote of 377 ayes to 13 noes, the House passed H.R. 5463, to establish rules of evidence for certain courts and proceedings.

Agreed to the committee amendment in the nature of a substitute, as amended.

The House took the following actions in the Committee of the Whole on the committee amendment in the nature of a substitute:

Agreed To:

An amendment that allows testimony in the form of opinion as evidence of character (agreed to by a division vote of 13 ayes to 11 noes);

An amendment that limits the rule expanding hearsay exceptions by allowing reports of observances made by public officials only on matters on which there is a duty to report;

An amendment that excludes as hearsay evidence admissible in criminal cases matter observed by police or other law enforcement officials; and

An amendment that modifies the section on amending the rules by requiring that any proposed rule affecting privileges (e.g. doctor-patient, husband-wife) must be approved by both Houses of Congress.

Rejected:

An amendment that sought to add language to the rule dealing with the competency of a juror as a witness that would allow inquiries into the deliberations of a jury and testimony by a juror on certain irregularities that occurred in the jury room (rejected by a division vote of 29 ayes to 33 noes);

An amendment, as amended, by a substitute, that would have allowed evidence of prior conviction of a crime to be used to impeach the credibility of a witness for felonies as well as allowing admission of such evidence for crimes involving dishonesty or false statement (rejected by a division vote of 10 ayes to 48 noes). Prior to amendment by the substitute, the amendment sought to reinstate the traditional rule on admissibility of evidence of all prior convictions in impeaching the credibility of a witness;

An amendment that sought to permit the use as evidence of prior inconsistent statements of a witness made under oath as in a trial, deposition, hearing, or grand jury proceeding (rejected by a division vote of 7 ayes to 27 noes);

An amendment that sought to admit prior statements as evidence even though not given under oath subject to cross-examination at a trial or hearing. Previously, a point of order against the amendment was overruled; and

An amendment to the provisions on hearsay exceptions that would allow for certain exemptions which are not specifically provided for in the rules but which provide circumstantial probability of trustworthiness (rejected by a division vote of 7 ayes to 26 noes).

A point of order was sustained against an amendment that sought to provide for an alternative to the exclusionary rule with respect to evidence.

The Clerk was given permission to correct spelling and punctuation in the engrossment of the bill. Pages 2366-2394

Meeting Hour: Objection was heard to a unanimous-consent request for the House to meet at 11 a.m. on Thursday, February 7. Pages 2394-2396

Senate

Chamber Action

Routine Proceedings, pages 5541–5591

Bills Introduced: 11 bills were introduced, as follows: S. 3115–3125. **Page 5541**

Bill Reported: Report was made as follows:

H.R. 5450, to provide for the implementation of the Convention on the Prevention of Marine Pollution by Dumping of Wastes and Other Matter (Ex. C, 93d Cong., 1st sess.) (S. Rept. 93–726). **Page 5541**

Bills Referred: Sundry House-passed bills were referred to appropriate Senate committees. **Pages 5485–5486**

Measure Passed:

Government salary increases: By 71 yeas to 26 nays, Senate agreed to S. Res. 293, disapproving all of the President's recommendations with respect to Government salary increases, after rejecting, by 18 yeas to 80 nays, Griffin amendment approving the President's recommendations for salary increases except those applicable to Members of the Senate, and adopting, by 69 yeas to 28 nays, Church-Dominick substitute, disapproving all of the President's recommendations with respect to Government salary increases, instead of disapproving only those provisions of his recommendations providing salary increases for Members of the Congress, as called for in the resolution as reported. **Pages 5486–5508**

Prior to this action, Senate, by 67 yeas to 31 nays, two-thirds of the Senators present and voting having voted in the affirmative, agreed to motion to close further debate on this resolution. **Pages 5492–5493**

S. Res. 276, a similar resolution, was then indefinitely postponed. **Page 5539**

Minimum Wage: Senate resumed consideration briefly of S. 2747, to increase to $2.20 the hourly minimum wage rate, pending amendment to which is Taft amendment No. 985, adding a new title to provide for the removal of Members of Congress from the Commission on Executive, Legislative, and Judicial Salaries. **Pages 5534–5535**

Energy Emergency Bill Veto: Senate received the President's veto message on S. 2589, proposed Energy Emergency Act, and, by 58 yeas to 40 nays, two-thirds of the Senators present and voting not having voted in the affirmative, the bill, on reconsideration, failed of passage over the President's veto. **Pages 5491–5492, 5508, 5515–5534**

Sudden Infant Death Syndrome: Senate agreed to the House amendment to S. 1745, authorizing funds for research and study of the sudden infant death syndrome, with an amendment in the nature of a substitute, thus clearing the measure for further action of the House. **Pages 5508–5515**

Executive Referrals and Printed Statements: By unanimous consent, it was agreed that it be in order to refer treaties and nominations on the days when they are received from the President, even when the Senate has no executive session on that day, for the remainder of this Congress.

It was also agreed that it be in order at any time during the session of the Senate for the remainder of this Congress for staff at the desk to receive remarks from

Senators for inserting in the RECORD when signed and presented by Senators only. **Page 5591**

Nominations: Senate received 13 Air Force and 21 Marine Corps nominations, all in the rank of general. **Page 5591**

Record Votes: Five record votes were taken today. **Pages 5492–5493, 5499, 5506–5508**

Took the following actions in the Committee of the Whole:

Agreed To:

An amendment that requires the Administrator to issue preliminary summer guidelines for citizen fuel use (agreed to by a division vote of 30 ayes to 14 noes);

An amendment that rolls back the price of domestic crude oil to $5.25 per barrel with the flexibility to increase by 35 percent (agreed to by a recorded vote of 218 yeas to 175 noes with 3 voting "present"). A point of order was overruled against the amendment;

An amendment to the previous amendment that allows producers of 30,000 barrels of crude oil per day to increase the price of new crude oil beyond the limitation in the previous amendment (agreed to by a division vote of 55 ayes to 16 noes). A point of order was overruled against the amendment;

An amendment that deletes language which sought to give authority to the President to transfer any energy related matters from the Departments of Treasury, Interior, Agriculture, and Commerce to the FEA; and

A conforming amendment.

Rejected an amendment that sought to prohibit the Administrator from implementing any rationing program without the approval of Congress (rejected by a recorded vote of 160 ayes to 241 noes). A point of order was overruled against the amendment.

Points of order were sustained against amendments that deal with rollback prices of domestic crude oil and increasing the price of new crude oil by producers that produce 30,000 barrels of crude oil per day or less.

An amendment was offered and subsequently withdrawn that sought to require the Administrator to develop a program for the use of waste oil from all motor vehicle fleets of any government agency.

Pending when the Committee of the Whole rose:

An amendment that seeks to conform the bill to administrative procedures provided by existing law; and

A substitute amendment to the previous amendment that seeks to establish administrative procedures comparable to those in the emergency energy legislation (S. 2589). **Pages 5433–5459**

Member Sworn: Thomas A. Luken, of Ohio, presented himself in the Well of the House and was administered the oath of office by the Speaker. **Page 5629**

Late Reports: Committee on Rules received permission to file certain privileged reports by midnight tonight. **Page 5629**

Federal Energy Administration: By a recorded vote of 353 ayes to 29 noes, the House passed H.R. 11793, to reorganize and consolidate certain functions of the Federal Government in a new Federal Energy Administration in order to promote more efficient management of such functions.

Rejected a motion to recommit the bill to the Committee on Government Operations.

On a request for a separate vote, the House rejected an amendment that sought to roll back the price of domestic crude oil to $5.25 per barrel with the flexibility to increase by 35 percent and allow producers of 30,000 barrels of crude oil per day to increase the price of new oil beyond the limitation (rejected by a recorded vote of 163 ayes to 216 noes). The amendment was agreed to in the Committee of the Whole on Wednesday, March 6, by a recorded vote of 218 ayes to 175 noes with 3 voting "present."

Agreed To:

An amendment that conforms the bill to administrative procedures provided by existing law (as amended by the following substitute amendment);

A substitute amendment to the previous amendment that establishes administration procedures comparable to those in the emergency energy legislation (S. 2589);

An amendment that allows the FEA to be considered as an independent regulatory agency for the purpose of obtaining information;

An amendment that prohibits the Administrator, Deputy Administrator, and Assistant Administrators from holding any other position in the executive branch during the period they are serving the FEA;

An amendment that assures legitimate access to confidential energy information for official purpose by executive, legislative, and judicial branches including independent regulatory agencies;

An amendment that authorizes the Administrator to collect information about fuel reserves on Federal lands;

An amendment that assures the privacy of individuals and personal information (agreed to by a division vote of 49 ayes to 8 noes);

Three conforming amendments; and

Agreed to the committee amendment, as amended.

Rejected:

An amendment that sought to require the Administrator to appoint a consumer representative to each FEA advisory committee (rejected by a division vote of 11 ayes to 25 noes);

An amendment that sought to require the FEA to transmit to Congress any budget request or legislative recommendation transmitted to the President (rejected by a division vote of 12 ayes to 23 noes);

An amendment that sought to establish an Environmental Protection Unit within the FEA to coordinate activities between the FEA and the Environmental Protection Agency (rejected by a division vote of 10 ayes to 35 noes);

An amendment that sought to exempt royalty oil or shares of oil production owned by a State from the amendment requiring the rollback of crude oil prices. A point of order was overruled against the amendment;

An amendment that sought to authorize the Comptroller General to directly examine records of fuel companies regulated by FEA; and

An amendment that sought to require the Administrator to submit a report within 90 days to the President and Congress detailing a plan for the creation of a Government corporation to control energy-related facilities (rejected by a division vote of 4 ayes to 39 noes).

An amendment was offered and subsequently withdrawn that sought to require the Administrator to report within 3 months to Congress and the President on an analysis of actual oil and gas reserves in the United States.

A point of order was sustained against an amendment that sought to repeal the Emergency Daylight Saving Time Energy Conservation Act of 1973.

The Clerk was authorized to make technical corrections in the engrossment of the bill. **Pages 5630–5662**

Measures Passed:

Rice acreage allotments: Senate took from calendar, passed without amendment, and sent to the House S. 3075, allowing transfer of rice acreage allotments to farmers in nearby counties when crop cannot be planted because of a natural disaster. **Page 6573**

Vessel spaces: Senate took from calendar, passed with committee amendments, and sent to the House S. 1353, to deduct from gross tonnage, in determining net tonnage, those spaces in vessels used for waste materials. **Pages 6695–6696**

Capital punishment: By 54 yeas to 33 nays, Senate passed S. 1401, to establish criteria for the mandatory imposition of the sentence of death, after agreeing to committee amendment in the nature of a substitute, to which Senate had at first taken action on proposed amendments as follows:

Adopted:

(1) By unanimous vote of 87 yeas, Buckley amendment to prohibit the execution of a pregnant woman; Page 6711

(2) By 49 yeas to 40 nays, modified Kennedy amendment No. 1015, to permit the Attorney General to direct the U.S. Attorney to stipulate that release of hostages was a mitigating factor (motion to table rejected by 40 yeas to 47 nays); Page 6713

(3) Johnston amendment to Kennedy amendment No. 1015, to provide that promises or assurances made by the Attorney General are not binding on the United States or on any U.S. courts; Page 6715

(4) By 49 yeas to 43 nays, Kennedy amendment No. 1016, to increase the degree of proof for the aggravating factors from the standard of "preponderance of the evidence" to the standard "beyond a reasonable doubt"; and Page 6718

(5) Hathaway amendment to allow a court to set aside an erroneous verdict in the same manner in which it may set aside a verdict in case of a criminal trial. Page 6742

Rejected:

(1) By 41 yeas to 47 nays, Haskell amendment making permissive, rather than mandatory, the imposition of the sentence of death by the court if aggravating circumstances exist; Page 6695

(2) By 10 yeas to 81 nays, Hughes amendment requiring executions to be conducted before the public; Page 6722

(3) Kennedy amendment No. 1020, to ban the sale of cheap handguns, require registration of all handguns, and require licensing of all handgun owners (tabled by 68 yeas to 21 nays); and Page 6724

(4) Kennedy amendment to prohibit the manufacturing within the United States of so-called "Saturday night special" handguns (tabled by 58 yeas to 31 nays). Page 6744

Appointed as conferees: Representatives Bolling, Sisk, Young of Texas, Long of Louisiana, Martin of Nebraska, Latta, and Del Clawson. Pages 8228–8229

Elementary and Secondary Education: House began reading for amendment H.R. 69, to extend and amend the Elementary and Secondary Act of 1965; but came to no resolution thereon. Proceedings under the 5-minute rule will continue tomorrow.

Took the following action in the Committee of the Whole on the committee amendment in the nature of a substitute:

Agreed to:

An amendment providing that assistance to children in private schools must meet the same requirements as that going to students in public schools;

An amendment that amends title I set-aside provisions for territories to authorize them at least the same level of funding as they received in fiscal year 1973;

An amendment of a technical nature to assure that $4,250 will be the income figure above which children of families receiving aid under Aid to Families with Dependent Children (AFDC) will be counted under the title I formula;

An amendment that requires the Commissioner of the Office of Education to provide for evaluations of the programs under the bill and authorizes him to spend up to one-half of 1 percent of the funds available for that purpose;

A clarifying amendment that allows but does not require a districtwide advisory council; and

An amendment that inserts language containing the text of H.R. 13915, the Equal Educational Opportunities Act, as passed by the House on August 17, 1972 (agreed to by a recorded vote of 293 ayes to 117 noes). Previously, a point of order against the amendment was overruled.

Rejected:

An amendment that sought to provide that title I funds be distributed according to the number of children from families with incomes below $4,000 plus 100 percent of children from families with incomes less than $4,000 receiving AFDC funds (rejected by a recorded vote of 87 ayes to 326 noes);

An amendment that sought to change the formula of title I so that two-thirds of the funds would be distributed on the basis of the school-age population within a State, and one-third according to the formula in the committee substitute (rejected by a recorded vote of 103 ayes to 312 noes);

An amendment that sought to distribute funds according to the number of children from families with incomes below $3,750 annually plus 100 percent of AFDC children from families with incomes above that amount (rejected by a division vote of 17 ayes to 73 noes);

An amendment that sought to provide for a phasing out of title I programs over the next 4 years;

An amendment that sought to strike the requirement to operate programs in the poorest schools and to require instead that title I funds be used to improve basic cognitive skills;

An amendment that sought to provide a 100-percent hold-harmless for each local educational agency to assure that no agency would receive less money than it received in fiscal 1974;

An amendment that sought to extend the title I programs through 1974 rather than through 1977;

An amendment that sought to provide that two-thirds of the funds under title I be distributed on the basis of the number of children between 5 and 17 years of age, and one-third on the basis of the number of children from families with incomes less than $3,500 a year plus 100 percent of the AFDC children from families above that level of income;

An amendment that sought to extend the programs under title I only through 1976 and to limit for those programs to $500 million for fiscal year 1976; and

A substitute amendment to an amendment inserting the provisions of H.R. 13915 that sought to sanction 10-year State plans for desegregation, define State and local rights and responsibilities in desegregation, and allow the use of busing only as a last-resort measure.

A point of order was overruled against a motion to strike the last word. **Pages 8229–8285**

House of Representatives

Chamber Action

Bills Introduced: 38 public bills, H.R. 14504–14541; 2 private bills, H.R. 14542 and 14543; and 8 resolutions, H.J. Res. 995–997 and H. Res. 1083–1087, were introduced. **Pages 12486–12487, 12561–12562**

Bills Reported: Reports were filed as follows:

H.R. 7368, to provide a rule in cases of the "pocket veto" for the implementation of section 7 of article I of the Constitution of the United States (H. Rept. 93–1021); and

H.R. 14354, to amend the National School Lunch Act, to authorize the use of certain funds to franchise agricultural commodities for distribution to schools, amended (H. Rept. 93–1022). **Page 12561**

Late Report: Conferees received permission to file a conference report by midnight tonight on S. 3062, Disaster Relief Act Amendments. **Page 12485**

Coast Guard: House cleared for the President H.R. 9293, to amend certain laws affecting the Coast Guard; by agreeing to the Senate amendments thereto. **Pages 12485–12486**

Committee Elections: Agreed to the following resolutions, electing Members to certain House committees:

H. Res. 1083, electing Representative Lagomarsino to the Committee on Merchant Marine and Fisheries;

H. Res. 1084, electing Representative Madigan to the Committee on Interstate and Foreign Commerce;

H. Res. 1085, electing Representative Burgener to the Committee on the District of Columbia; and

H. Res. 1086, electing Representative Peyser to the Committee on Agriculture. **Pages 12486–12487**

Broadcast License Renewals: By a yea-and-nay vote of 379 yeas to 14 nays with 2 voting "present," the House passed H.R. 12993, to amend the Communications Act of 1934 to provide that licenses for the operation of broadcasting stations may be issued and renewed for terms of 4 years.

Agreed to the committee amendments.

Agreed to an amendment that extends the term for broadcast licenses to 5 years rather than 4 (agreed to by a recorded vote of 308 ayes to 84 noes with 2 "present"); and

Rejected an amendment that sought to strike language encouraging the conduct of good-faith negotiations between stations and persons raising significant issues regarding the operation of the stations.

H. Res. 1080, the rule under which the bill was considered, was agreed to earlier by a voice vote. **Pages 12489–12510**

Energy Supply and Coordination: By a yea-and-nay vote of 349 yeas to 43 nays, the House passed H.R. 14368, to provide for means of dealing with energy shortages by requiring reports with respect to energy resources, by providing for temporary suspension of certain air pollution requirements, and by providing for coal conversion.

Agreed to the committee amendment in the nature of a substitute, as amended.

Took the following actions on the committee amendment in the nature of a substitute:

Agreed to an amendment that preserves the confidentiality of the Census Bureau, the Bureau of Labor Statistics, and the Internal Revenue Service with respect to information on petroleum inventories and other energy matters; and

Agreed to a motion to close all debate on amendments at 6 p.m. (agreed to by a division vote of 104 ayes to 28 noes).

Rejected:

An amendment that sought to provide for a nationwide suspension of motor vehicle emission standards except for certain designated areas with heavy pollution levels (rejected by a recorded vote of 169 ayes to 221 noes with 2 voting "present"). Previously, a point of order was sustained against a similar amendment that contained language providing for the loss of Federal grants by States which did not submit plans for enforcing the use of pollution devices in the designated areas;

An amendment to the previous amendment that sought to insert language reaffirming the right of areas with heavy pollution to raise their emission standards and allowing them to ban automobiles without control devices from coming into their areas (rejected by a division vote of 30 ayes to 58 noes);

An amendment that sought to provide for a study of the feasibility of establishing a national fuel economy standard of 20 miles per gallon (rejected by a division vote of 23 ayes to 61 noes); and

An amendment that sought to freeze the 1974 emissions standards for 1 year to provide a grace period before final approval is given to use of the catalytic converter.

The Clerk was authorized to correct section numbers in the engrossment of the bill.

H. Res. 1082, the rule under which the bill was considered, was agreed to earlier by a voice vote.

Pages 12510–12540

Senate

Chamber Action

Routine Proceedings, pages 13442–13514

Bills Introduced: Nine bills were introduced as follows: S. 3446–3454. Page 13458

Bill Reported: Report was made as follows:

S. 3009, to permit States to use oil shale revenues for planning, construction, and maintenance of public facilities and to improve public services, with amendments (S. Rept. 93–828). Page 13456

Bills Referred: H.R. 510, Georgia land conveyance; H.R. 5641, New Mexico land conveyance; H.R. 12884, wilderness; and H.R. 7188, Cibola National Forest, were referred to Committee on Interior and Insular Affairs. Pages 13514, 13543

Bills Rereferred: Committee on Rules and Administration was discharged from the further consideration of S. 2500, to establish an Office of Constituent Assistance, and the bill was rereferred to Committee on Government Operations. Page 13458

Measures passed:

Supplemental appropriations: By 85 yeas to 1 nay, Senate passed H.R. 14013, making supplemental appropriations for fiscal year 1974. Prior to its passage, the Chair sustained points of order made by: (1) Senator Muskie against committee amendment agreed to on May 6, recommending language to provide relief from EPA interpretation of the so-called Industrial User Charge under section 204 of Public Law 92–500; and (2) Senator Kennedy against committee amendment agreed to on May 6 adding a new section 406 to repeal section 718 of fiscal year 1974 DOD appropriation bill which contains restrictions as to education and mental category requirements for eligibility of nonprior service personnel enlistment in the Armed Forces, both on the grounds that they consisted of legislation on an appropriations bill. By these actions, these two committee amendments were stricken from the bill. **Page 13516**

Senate insisted on its amendments, requested conference with the House, and appointed as conferees Senators McClellan, Magnuson, Stennis, Pastore, Bible, Robert C. Byrd, McGee, Mansfield, Proxmire, Montoya, Inouye, Hollings, Bayh, Young, Hruska, Cotton, Case, Fong, Brooke, Hatfield, Stevens, Mathias, Schweiker, and Bellmon. **Page 13535**

Pages 13515–13535

Hospital employees wages: By 63 yeas to 25 nays, Senate passed S. 3203, extending coverage and protection of the National Labor Relations Act to employees of nonprofit hospitals, after rejecting additional amendments proposed thereto, as follows:

(1) Dominick amendment No. 1214, to exempt people of religious sects which oppose membership in labor organizations (tabled by 50 yeas to 37 nays); and **Page 13535**

(2) Dominick amendment No. 1215, adding new title II making amendments to the Occupational Safety and Health Act of 1970 (tabled by 47 yeas to 40 nays). **Page 13543**

Pages 13535–13561

Enrollment correction—Federal Energy Administration: Senate took from the desk and agreed to H. Con. Res. 485, requesting President to return the enrolled bill H.R. 11793, to create a new Federal Energy Administration, and directing the Clerk of the House to make a correction in the reenrollment of that bill. **Pages 13514–13515**

Supplemental Military Procurement: Senate vacated its action of May 6 when it passed S. 2999, authorizing supplemental funds for military procurement for fiscal year 1974, and, by unanimous consent, Committee on Armed Services was discharged from the further consideration of the House companion bill, H.R. 12565. Senate then passed H.R. 12565, after striking all after the enacting clause and inserting in lieu thereof the provisions of S. 2999, as originally passed by the Senate. **Page 13563**

Senate insisted on its amendment, requested conference with the House, and appointed as conferees Senators Stennis, Symington, Jackson, Thurmond, and Tower. **Page 13563**

S. 2999 was then indefinitely postponed. **Page 13563**

Calendar Call: On call of the calendar, Senate passed the following 12 measures, two of which were private, as follows:

Without amendment and sent to the House:

Congressional Record: S. 3373, providing for the sale and distribution of the Congressional Record under the second-class newspaper mail rate.

Bill Passed:

Military procurement authorizations: By 84 yeas to 6 nays, Senate passed H.R. 14592, authorizing funds for military procurement for fiscal year 1975, after striking all after the enacting clause and inserting in lieu thereof provisions of the Senate companion measure, S. 3000, as amended by the Senate. Prior to this action Senate took action on additional amendments to S. 3000 as follows:

Adopted:

(1) Stennis amendment to delete $24.8 million from the Navy shipbuilding and conversion account for long leadtime funds for the Trident submarine; Page 18631

(2) Jackson amendment No. 1405, as amended, authorizing Secretary of Defense to review proposed export of defense goods and technology to certain countries and whenever he determines that they will increase the military capability of such country to recommend to the President that such exports be disapproved. (Motion to table rejected by 40 yeas to 50 nays); Page 18704

(3) By 47 yeas to 43 nays, Cranston amendment (to Jackson amendment No. 1405), making the role of the Secretary of Defense in reviewing the exporting of defense goods or technology a recommendatory role; Page 18713

(4) By 48 yeas to 43 nays, Javits amendment to prohibit DOD from denying assistance to enrollees in a college or university solely on the grounds that such institution has previously terminated its ROTC program; and Page 18723

(5) McGovern amendment to enable the awarding of Congressional Service Awards to approximately 1,700 servicemen who were former prisoners of war in Southeast Asia. Page 18720

Rejected:

(1) By 45 yeas to 46 nays, Cranston-Kennedy amendment No. 1425, to reduce from $900 million to $750 million the ceiling on military aid for Vietnam; Page 18623

(2) By 23 yeas to 68 nays, modified Mathias amendment No. 1391, to add $16 million for design and development of SSBNX submarine; Page 18715

(3) Helms amendment to bar the use of funds for purposes of providing abortion referral services or performing abortions (tabled by 64 yeas to 27 yeas); and Page 18729

(4) By 38 yeas to 52 nays, Humphrey amendment setting total authorization ceiling at $21.622 billion. Page 18725

Senate insisted on its amendment, requested conference with the House, and appointed as conferees Senators Stennis, Symington, Jackson, Cannon, McIntyre, Thurmond, Tower, Dominick and Goldwater. Page 18738

S. 3000 was then indefinitely postponed. Page 18738

Pages 18623–18632, 18703–18740

Supplies and Shortages: Senate considered S. 3523, to establish a Temporary National Commission on Supplies and Shortages, agreeing to committee amendments en bloc, and the bill, as thus amended, will be considered as original text for purpose of further amendment. Senate took action on additional amendments proposed thereto, as follows:

Adopted: Percy amendment limiting to 1 year, instead of 3 years, the life of the Commission, and reducing authorizations therefor to $500,000; and Page 18743

Rejected: By 28 yeas to 53 nays, Tunney amendment (to Percy amendment), to provide authorizations of $1 million for the Commission for each of fiscal years 1975 and 1976. Page 18756

When Senate resumes consideration of this bill tomorrow, pending amendment will be Nelson amendment No. 1406, in the nature of a substitute, with vote to occur thereon not later than 12 noon. Page 18758

Pages 18997–18998

Bill Referred: H.R. 12881, to continue the suspension of duty on copper, was referred to Committee on Finance. **Page 10365**

Measures Passed:

Colorado River salinity: Senate passed H.R. 12165, authorizing a program to control the salinity of water in the Colorado River, after striking all after the enacting clause and inserting in lieu thereof provisions of Senate companion bill, S. 2940, which had at first been amended by adoption of committee amendment and a technical amendment offered by Senator Mansfield. **Page 18919**

S. 2940 was then indefinitely postponed.

Pages 18916–18926

U.S. District Court case: Senate agreed to S. Res. 338, authorizing chief counsel of Committee on the Judiciary to provide an affidavit with respect to a case pending before the U.S. District Court of the District of Columbia. **Pages 18940–18941**

Regional environmental centers: Senate took from calendar, passed with committee amendments, and cleared for the House S. 1865, to assist the State in establishing regional environmental centers.

Pages 18987–18989

Energy R. & D. appropriations: By unanimous vote of 92 yeas, Senate passed H.R. 14434, making appropriations for energy research and development for fiscal year 1975, after taking action on additional amendments proposed thereto, as follows:

Adopted:

(1) Baker amendment appropriating an additional $9 million for expansion of the controlled Thermonuclear Research Program; and Page 18976

(2) Baker amendment appropriating $1.5 million for planning a demonstration plant for molten salt breeder reactor at Oak Ridge, Tenn. Page 18977

Rejected: By 22 yeas to 67 nays, Haskell amendment to delete $1.4 million for basic research in the field of nuclear stimulation of natural resources. Page 18951

By vote of 40 yeas to 50 nays, Senate ruled that committee amendment authorizing EPA to transfer funds to other Federal agencies for energy research and development activities that it may be in a position to supply or obtain by contract was not germane to provisions of the House-passed bill. Page 18948

Senate insisted on its amendments, requested conference with the House, and appointed as conferees Senators McClellan, Stennis, Pastore, Bible, Proxmire, Montoya, Hollings, Young, Hruska, Fong, Hatfield, Stevens, Mathias, and Bellmon. Page 18986

Agreed to:

An amendment, as amended by a substitute amendment, that raises the subsidy for a dwelling unit to the difference between the rent charged and 15 percent of the tenant's gross income;

An amendment that allows local governments to veto within 60 days any assistance the Secretary proposes to provide within its jurisdiction;

An amendment that exempts social security increases from the computation of income for senior citizens who live in public housing (agreed to by a recorded vote of 285 ayes to 114 noes);

An amendment providing that annual contributions for American Indians for public housing be the difference (rather than "not more than" the difference) between the sum of the total debt payment plus operating costs and rental payments which tenants are required to make;

An amendment that reestablishes section 202 direct loan programs for the elderly as an unsubsidized program offering government borrowing rates (agreed to by a recorded vote of 274 ayes to 112 noes);

An amendment that provides mortgage insurance out of the Special Risk Insurance Fund for military personnel in federally impacted areas;

An amendment that increases the limit of GNMA-purchased mortgages from $33,000 to $38,000;

An amendment that includes territories and possessions of the United States and the Trust Territory of the Pacific Islands in title IV (rural housing);

An amendment that exempts social security increases from the computation of income for senior citizens who live in public rural housing;

An amendment that creates a national homestead program;

An amendment that requires the use of quality and durable materials in the construction of low and moderate income housing regardless of cost;

An amendment that requires a buyer be notified if he is buying in a flood hazard area before his loan is approved;

An amendment that allows flood areas to receive flood insurance at a subsidized rate;

An amendment that requires the Secretary to conduct a study on condominiums and report back to Congress in 1 year; and

An amendment that shall not affect any unit of local government by such units' membership or nonmembership in a regional planning organization.

Rejected:

An amendment that sought to extend sections 235 and 236 (homeownership and rental assistance) housing programs through fiscal year 1977 (rejected by a division vote of 32 ayes to 74 noes);

An amendment that sought to allow local citizens to participate in the development of proposals or applications for local housing assistance programs;

An amendment that sought to reduce the downpayment for FHA mortgages to no downpayment for mortgages under $15,000, 3 percent from $15,000 to $25,000, 10 percent from $25,000 to $35,000, and 20 percent over $35,000;

An amendment that sought to strike language which permits mortgage bankers to service mortgages sold to Federal Home Loan Mortgage Corporation;

An amendment that sought to strike language which provides supplementary grants for projects assisted by National Foundation on Arts and Humanities (rejected by a recorded vote of 111 ayes to 260 noes with 1 voting "present");

An amendment that sought to include multifamily dwellings in the national homestead program; and

An amendment that sought to provide public housing in suburban areas.

A point of order was sustained against an amendment that sought to provide loans for housing for the elderly and handicapped.

Subsequently, this passage was vacated and S. 3066, a similar Senate-passed bill, was passed in lieu after being amended to contain the language of the House bill as passed. Agreed to amend the title of the Senate bill.

House then insisted on its amendments, and asked a conference with the Senate. Appointed as conferees: Representatives Patman, Barrett, Sullivan, Ashley, Moorhead of Pennsylvania, Stephens, St Germain, Reuss, Hanna, Widnall, Brown of Michigan, J. William Stanton, Blackburn, Heckler of Massachusetts, and Rousselot.

Bills Reported: Reports were filed as follows:

H. Res. 1188, waiving points of order against certain provisions of H.R. 15544, making appropriations for the Treasury Department, the U.S. Postal Service, the Executive Office of the President, and certain Independent Agencies for fiscal year 1975 (H. Rept. 93–1134);

H.R. 15276, to provide a comprehensive, coordinated approach to the problems of juvenile delinquency, amended (H. Rept. 93–1135);

H.J. Res. 1061, making further urgent supplemental appropriations for fiscal year 1974 for the Veterans' Administration, amended (H. Rept. 93–1136);

H.R. 11144, to enable the Naval Sea Cadet Corps to obtain, to the same extent as the Boy Scouts of America, obsolete and surplus naval material, amended (H. Rept. 93–1137);

H.R. 8591, to authorize the President to appoint to the active list of the Navy and Marine Corps of certain Reserves and temporary officers, amended (H. Rept. 93–1138); and

H.R. 15572, making appropriations for the Department of Housing and Urban Development; for space, science, veterans, and certain other independent executive agencies, boards, commissions, and corporations for fiscal year 1975 (H. Rept. 93–1139). **Page 20632**

Late Reports: Committee on Appropriations received permission to file reports by midnight tonight on H.J. Res. 1061, making further urgent supplemental appropriations for fiscal year 1974 for the Veterans' Administration; and H.R. 15572, making appropriations for the Department of Housing and Urban Development; for space, science, veterans, and certain other independent executive agencies, boards, commissions, and corporations for fiscal year 1975.

It was made in order to consider H.J. Res. 1061 on Monday, June 24, or any day thereafter. Page 20532

Agriculture-Environmental and Consumer Protection Appropriations: By a yea-and-nay vote of 278 yeas to 16 nays, the House passed H.R. 15472, making appropriations for Agriculture-Environmental and Consumer Protection programs for fiscal year 1975.

By a voice vote, rejected a motion to recommit the bill to the Committee on Appropriations with instructions to report it back forthwith without language that appropriates $3 million for subsidies to "Cotton Inc."

Agreed to:

An amendment that limits the amount appropriated for the sale of agricultural commodities for foreign currencies and for dollars on credit terms to no more than 10 percent to any one country (agreed to by a division vote of 61 ayes to 51 noes);

An amendment that allows EPA to spend up to $7.2 million for the development of automatic power systems;

An amendment that increases the appropriation for the Federal Trade Commission by $1.4 million and earmarks (1) $650,000 for development of a computerized evidentiary indexing and retrieval capability, and (2) $1.364 million for the congressionally mandated study of the energy industry;

An amendment, as amended by a substitute amendment as amended, that allows the Federal Trade Commission to collect line-of-business data on 250 firms with no restrictions. The amendment to the substitute amendment reduces the amount of firms from 500 to 250. The original amendment required the Federal Trade Commission to select 250 firms at random rather than concentrating exclusively on the largest firms. Two points of order against the original amendment were overruled;

An amendment that forbids eligibility for food stamps to all college students claimed as tax dependents by their parents (agreed to by a recorded vote of 195 ayes to 123 noes, with 1 voting "present"); and

An amendment that appropriates $7 million for grants to rural volunteer fire departments (agreed to by a recorded vote of 213 ayes to 103 noes).

Rejected:

An amendment that sought to delete $3 million appropriated for subsidies to "Cotton Inc." (rejected by a recorded vote of 182 ayes to 189 noes);

An amendment that sought to limit the amount appropriated for commodities in connection with dispositions abroad to no more than 25 percent to the United Nations or any affiliate thereof (rejected by a division vote of 29 ayes to 56 noes);

An amendment that sought to prohibit the use of any funds to pay the salaries of the personnel who formulate or carry out a support program for the 1975 crop of peanuts;

An amendment to the previous amendment that sought to limit the prohibition to the existing peanut program (rejected by a division vote of 11 ayes to 101 noes);

An amendment that sought to delete $1.5 million appropriated for the beekeepers indemnity program;

An amendment that sought to strike language which prohibits the use of funds for salaries of employees of the Federal Trade Commission who (1) use the information provided in the line-of-business program for any purpose other than the statistical purposes for which it is supplied, or (2) make any publication whereby the line-of-business data furnished by a particular establishment or individual can be identified, or (3) permit anyone other than sworn officers and employees of the FTC to examine the line-of-business reports from individual firms (rejected by a recorded vote of 127 ayes to 201 noes). A point of order was overruled against this language in the bill;

By a division vote of 62 yeas to 61 nays, agreed to a technical amendment to an amendment that was subsequently rejected, that sought to deny food stamp eligibility to striking workers (rejected by a recorded vote of 147 ayes to 169 noes);

An amendment that forbids funds for the advertising of tobacco or tobacco products in foreign nations;

An amendment that forbids funds for the support of police, or prison construction and administration, for training, including computer training, or for computers or computer parts in South Vietnam; and

An amendment that sought to reduce the total amount appropriated in the bill to $12.7 billion, a reduction of approximately $700 million.

A point of order was overruled against language that permits the EPA to transfer funds to other Federal agencies for energy research and development activities.

A point of order was overruled against language that appropriates $1.365 million for the Office of Consumer Affairs.

A point of order was sustained against language that required the Federal Trade Commission to select 250 firms at random for collecting line-of-business data.

A point of order was sustained against language reading "except as provided in existing law, funds provided in this Act shall be available only for the purposes for which they are appropriated."

A point of order was sustained against an amendment that sought to appropriate $500 million to purchase domestic red meats and poultry to be distributed pursuant to the provisions of the Child Nutrition Act of 1966 and the National School Lunch Act.

The Clerk was authorized to make corrections in section numbers and punctuation in the engrossment of the bill. **Pages 20534–20622**

Calendar Wednesday: Agreed to dispense with Calendar Wednesday business of June 26. **Page 20623**

Referral: One Senate-passed measure was referred to the appropriate House committee. **Page 20631**

Adjournment: Adjourned at 9:18 p.m.
